

# Subjectivity In Grammar And Discourse

**Author** :Shoichi Iwasaki / **Category** :Language Arts & Disciplines / **Total Pages** : 152 pages

 [Download Subjectivity In Grammar And Discourse PDF](#)

**Summary** : Free subjectivity in grammar and discourse pdf download - this book investigates the notion of subjectivity from a pragmatic point of view there have been attempts to reduce the notion of the speaker or subjectivity as a syntactic category or to seek an explanation for it in semantic terms however in order to understand the vast range of subjectivity phenomena it is more fruitful to examine how the attributes and the experience of the real speaker affect language the volume provides a theoretical methodological basis for the study of various aspects of language and discourse and applies these specifically to japanese spoken discourse for which the data are added in an appendix
